On the Road...again By Cathy Roush

The Ferrari Club of America held its 2018 International Meet September 15-20 in the Finger Lakes region of upstate New York. The host hotel was in Corning and all track events were at historic Watkins Glen International Raceway.

Let's just say, a good time was had by all. Especially me.

Corning is billed as The Most Fun Small Town in America. The historic storefronts of the restaurants and shops provided an attractive backdrop on Sunday for the North American Field and Driving Concours, held on Market Street, where Ferraris were parked for blocks ... and blocks ... and blocks ... I counted 82 Ferraris going up one side and 82 coming back down the other, plus 21 Ferraris in the parking lot of the hotel before I even got started.

I start off kind of slow with my data recording because I keep running into people I haven't seen since the last annual meet. A hug and a kiss, and a 'how's your momma, we sure do miss her'.

Then there's the owner of a 328 GTS whose name I recognized because he subscribed online the night before after he saw the sample copy of the *FML* in his goody bag. I gave him a copy of #4320 which we had mailed the day before departing for the meet; he was the VERY FIRST subscriber to read the new issue!

Halfway through I did stop for lunch, but I didn't have a beverage; you know, that would mean slowing down to take care of business. I connect with an old family friend who I hadn't seen in 20 years. Her family lives in Ithaca, about an hour away, and she wanted pictures of the Supercars for her son. I hope I didn't miss any serial numbers while we were chatting.

One of the most enjoyable things about going to meets is the people. I lined up my competitive rally ride months ago <remember, my team placed 3rd at Daytona in 2017>, but I wanted to secure a ride for the Shell Pleasure Drive.

Enter Paul Flynn from Canada, with his 550 Maranello. Paul is the Club's treasurer. Perfect, I have a degree in accounting, we'll get along great. And we did, following the two hour or so route through the Sugar Hill State Forest, winding up in the village of Watkins Glen and driving on the 1948 Grand Prix Course, our

lunch destination Starkey's Lookout Winery. It's hard to imagine driving the 6.6 mile old course at high speed with its twists and turns, lack of guard rails, across railroad tracks, through narrow bridges. *Hint: keep your sheet from Monday as some of the questions may be duplicated on the competitive rally Tuesday. Good thinking, Cathy.*

There was a threat of rain for the Shell Competitive Rally on Tuesday but we lucked out. The 'we' are Sam Hallowell, from Rhode Island, owner of 365 GTC/4 S/N 14953, and myself. If you recall, Sam and I first teamed up at the 2016 annual meet in Ohio. Same car and everything, except the C/4 has had its engine completely rebuilt by John Tirrell's Independent Ferrari Service.

With a head start on the questions, a new engine, and since Sam learned to heed his 'rally wife' in re directions, there was no reason to expect less than a positive outcome, right? Well, suffice to say we got tripped up with some of the final directions to the track, where lunch was, and as a result did not hear our names called at the banquet. Maybe next year.

I was glad to wind up there for lunch because it meant perhaps I could manage to get a ride on the track. People will do just about anything to get their name in the *FML*. That's my angle.

Take John Censier; he gave up his ride in Glenn Butler's 360 Challenge. Okay, it wasn't much of an argument - John only delayed his ride with Glenn by an hour so I could go early enough to keep my ride back to Corning. John also had the firesuit and helmet I would need. Glenn is an accomplished driver and one my father would appreciate with his 'drive fast, brake hard' philosophy.

I can add Watkins Glen to my track experience; I attended the Annual Meet there in 1977 as a teenager. Those were the days our family made the meet part of our summer vacation. I still have post cards collected on that trip from the Baseball Hall of Fame, Wide World of Cars, and New York City.

I'm pretty sure I didn't get on the track that year. My brother did, in a 250 LM. Must have been before he locked the keys in the trunk of the rental car and got in big trouble.

All of my experiences added up to a memorable trip; congratulations to the Empire States Region, their director Wales Shao and the entire team. I hope to see you at the 2019 meet, in Scottsdale, AZ, November 6-10, 2019.

Having Fun in Corning, NY and Watkins Glen By Jim Weed

The Ferrari Club annual meet is always special. This year I made my first trip to Corning, NY, and Watkins Glen International raceway. Well, I have been to Corning before, but I was only five so I don't think it really counts.

The Market Street Historic District was filled with Ferraris lining both sides of the street from the host hotel nearly to the end of the district. The Sunday morning air was still and everywhere Ferraris were getting the last wipe down and polish for the judges.

The placards allowed me to see the owners name and find subscribers whom I know only by an envelope or a phone call. It was a great way to meet new owners and renew friendships.

I stopped and took a break with Eugene Rubach and his red 246 GTS S/N 08250. He has owned it for a while and we talked about his adventures with it. All along the street it was the same, how I love the stories!

Along with the normal there was also the unusual. Tom Hill brought a 250 Europa GT that was the 1955 Paris show car. Recently acquired, it was being shown for the first time in quite a while. It had been restored by a previous owner over several decades and it still looks great in white. All Europas have a handmade look to them and this one was no different. Everywhere one looks there are interesting details to discover.

Pretty soon it was lunch time which meant it was time for me to hold the *Ferrari Market Letter* seminar up on the courtyard bandstand. Jay Wietzel did his typical circus barker duties to invite owners and participants alike to hear Jim Weed talk about Ferraris and what the *FML* is all about.

One of the fun things about an annual meet is you never know who you will run into. Linda and I went down to Market Street for dinner later that evening and while walking into an Italian restaurant (could it be anything else?) we found Tefft Smith, his wife Nancy, along with Greg and Gina Jones sitting at a table with extra seats! Needless to say we had a good time talking Ferraris and getting to know each other better.

Monday is track day. Off to Watkins Glen. This is a track I have not visited before so the drive out is picturesque as we venture out. We hear the engines and make our way to the garage area.

Again we see and meet owners as we wander around the cars and take in the sights. We run into our dinner mates, Tefft Smith and Greg Jones. Tefft has a 250 GTO. Well not a 'real' GTO but an accurate recreation. This chassis was a 250 GT PF Coupe, S/N 1273 GT, a car I towed from Mississippi to Atlanta for FAF Motorcars back in 1976.

FAF had parted it out but like many early Ferraris it has been transformed. I sat in it then and now I get to sit in it while on the track. I squeeze through the passenger door and between the rollbar, fire extinguisher and find places for my feet. Tighten the belts and we are off!

The track layout is unknown to me and it takes a couple of laps to get oriented to each corner. Soon I am recognizing each turn-in point, apex and exit point. Tefft drives masterfully and we pass several others on the track.

First a 355, then we go by a 458, a 308 GT4 and a Daytona. We are really stretching the legs on the 250 engine. I have driven a 250 TDF on the track and 250 SWB on the street and the GTO is a completely different animal.

The short wheelbase allows for a quicker turn-in into the corner and the acceleration coming out of the corner allows for a slight cross-control. It is an incredible experience. The grin will take several weeks to remove from my face. Thanks, Tefft!

To join a club means there is a shared interest within the confines of the club. Whether a knitting club, Civil Air Patrol or the Ferrari Club of America it is the people who make a club great. Every gathering should expand your knowledge and circle of friends.

Enjoy your passions and we look forward to enjoying next year's meet in Phoenix.

1954 375 Plus Sutton Spyder S/N 0478 AM

Originally raced in Scaglietti trim by legendary drivers, Jack McAfee, Ken Miles and Carroll Shelby, only to be unceremoniously crashed by Shelby at Palm Springs. Re-bodied in 1956 by Hollywood-based Jack Sutton, who earned the nickname, "America's Scaglietti," with 0478 sold to the privateer racing team of Frank Arclero. Fledgling driver, Dan Gurney, would go on to multiple victories in 0478. Considered one of the original eight 375 Plus with its massive 4.9 litre V12 engine, 0478 AM is a 1950s icon.

THE COBRA-FERRARI WARS 1963-1965, 2nd edition. Signed by the author. The original, award-winning story of the great GT cars of the 1960s. From the book (Charlie Agapiou): "Shelby was looking over my shoulder. He says, 'Whats the matter? Where's all that oil coming from?' I said, 'A slight leak Carroll, but it's all right.' 'Well, tell Jim,' he says. I said, 'There's nothing we can do: It's all right, Carroll.' 'Damn it, tell Jim.' But there was no point telling Jim because we didn't have any [diff] oil. So, when I told Jim, he panicked. He climbed in the car and pumped 30-weight oil into the diff and that was it, the race was over for that car." \$49.95 includes shipping in the U.S. 4320
